## FEE SCALE: INTERNATIONAL PROJECTS

PAGE 2 OF 2

Non-working travel time and expenses (travel, accommodation and subsistence) for CEEQUAL Verifier visits to international projects are charged in addition to the above fees. This will be based on travel from the Verifier's normal place of work to the project site or the offices of a project team member for scoping, verification and other agreed visits. These costs will be confirmed upon receipt of the application form. With regards to the travel expenses, if it is cheaper for the project team to arrange and pay for such travel for the Verifier directly then CEEQUAL is content for such arrangements to be made. The number of Verifier visits will be agreed on application and will be a minimum of one and a maximum of three depending on the award type.

The following table gives an indication of verifier travel time and expense costs for budgeting purposes only.

Project Location	Indicative* verifier travel time and expenses
Europe	£1250
Gulf States and Middle East	£6000
Rest of the World	£7250

*\* Indicative verifier travel time and expenses only, prices subject to change, price is per site visit*

If you think it could be helpful for your project to have separate assessments at the work package level that can be then be aggregated into an overall score for the whole project, please call us on +44 (0)333 014 7880 to discuss the options available and the associated fees.
